N J J Granatino - Director

1. **STATUTORY INFORMATION**

Cronycle Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Preparation of consolidated financial statements

The financial statements contain information about Cronycle Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 399(2A) of the Companies Act 2006 from the requirements to prepare consolidated financial statements.

Critical accounting judgements

The company is recognising the research and development tax credit for the current year, this is based on the acceptance of all previous research and development tax credits by HMRC without amendment.

The holding of 95.7% holding in Right Relevance constitutes control of the company and has therefore been classed as a subsidiary in the accounts.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

The monthly subscription fees are recognised at the renewal point each month.

For quarterly subscriptions paid in installments the revenue is recognised at the time of the installment invoice becoming due.

Annual fees paid in a single invoice are recognised over the annual period and any fees for 2020 are accrued at the year end.

Intangible fixed assets

Amortisation is provided at the following annual rates in order to write off the cost each asset over its estimated useful life:

Development costs - 20% straight line basis

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 33% straight line basis

Investments in subsidiaries

The investment in the subsidiary Right Relevance Inc. is recognised at cost including associated acquisition transaction costs.

The investment in the associate is recognised at cost, the company is deemed to be associated based on the 20% shareholding.

2. ACCOUNTING POLICIES - continued**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
