Launched Signode As Our
Unified Global Master Brand

With over \$2B in revenue, 80+ manufacturing facilities across 6 continents and over 9,000 employees worldwide, Signode is a leading manufacturer of a broad spectrum of transit packaging consumables, tools, software, and equipment that optimize end-of-line packaging operations and protect products in transit. Signode brings this extensive product portfolio together under hundreds of trusted brands to offer complete transit packaging solutions to its customers.

We produce strap, stretch and protective packaging. We also manufacture packaging tools and equipment used to apply the bulk packaging materials. These commercial packaging products are used to pack, bundle, unitize, protect and secure goods during warehousing and transit. Our company is a pioneer in the industrial packaging sector with a long history of customer-focused innovations in materials, processes and automation technology that have revolutionized the sector.

We are proud to be the Transit Packaging Division of Crown Holdings, Inc. We are excited to go to market as Signode and to share the portfolio of products, services and capabilities that make us the world's premier end-of-line packaging company.
