**Chartered Certified Accountants' Report to the Board of Directors on the Preparation of
the Unaudited Statutory Accounts of
Activeplan Consulting Limited
for the Year Ended 31 December 2019**

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Activeplan Consulting Limited for the year ended 31 December 2019 as set out on pages 3 to 9 from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Association of Chartered Certified Accountants, we are subject to its ethical and other professional requirements which are detailed at <http://www.accaglobal.com/en/member/professional-standards/rules-standards/acca-rulebook.html>.

This report is made solely to the Board of Directors of Activeplan Consulting Limited, as a body, in accordance with the terms of our engagement letter. Our work has been undertaken solely to prepare for your approval the accounts of Activeplan Consulting Limited and state those matters that we have agreed to state to the Board of Directors of Activeplan Consulting Limited, as a body, in this report in accordance with the requirements of the Association of Chartered Certified Accountants as detailed at

http://www.accaglobal.com/content/dam/ACCA_Global/Technical/fact/technical-factsheet-163.pdf.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Activeplan Consulting Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Activeplan Consulting Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and loss of Activeplan Consulting Limited. You consider that Activeplan Consulting Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Activeplan Consulting Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

Activeplan Consulting Limited
(Registration number: 06810529)
Balance Sheet as at 31 December 2019

For the financial year ending 31 December 2019 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime and the option not to file the Profit and Loss Account has been taken.

Approved and authorised by the Board on 21 December 2020 and signed on its behalf by:

.....

G F Stevenson
Director

Activeplan Consulting Limited

Notes to the Financial Statements for the Year Ended 31 December 2019

1 General information

The company is a private company limited by share capital, incorporated in England.

The principal place of business of the company is in Nottingham.

The address of the registered office is given in the company information on page 1 of the financial statements.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The financial statements are presented in Sterling (£) and rounded to the nearest £1.

Going concern

The emergence of the global pandemic known as Covid-19 has raised significant uncertainty throughout the UK economy since the balance sheet date. The Directors have assessed a potential range of impacts that this pandemic may have on the Company.

Consideration has been given to the risks of reduced turnover, slow payment or non-payment of debts, the value of stock and other assets owned by the company. Detailed financial models have been prepared, which continue to be monitored and updated, and plans have been put in place to ensure there are sufficient reserves to continue into the future.

Having assessed all available information at the date of approving the accounts, the Directors are confident that the business is well placed to manage the situation and to continue trading as a going concern.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Activeplan Consulting Limited

Notes to the Financial Statements for the Year Ended 31 December 2019

Foreign currency transactions and balances

Transactions in foreign currencies are recorded at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the closing rates at the balance sheet date. All exchange rate differences are included in the profit and loss account.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised in respect of all timing differences between taxable profits and profits reported in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Office equipment	25% reducing balance

Goodwill

Goodwill arising on the acquisition of an entity represents the excess of the cost of acquisition over the company's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities of the entity recognised at the date of acquisition. Goodwill is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill is held in the currency of the acquired entity and revalued to the closing rate at each reporting period date. Goodwill is amortised over its useful life, which shall not exceed ten years if a reliable estimate of the useful life cannot be made.

Activeplan Consulting Limited

Notes to the Financial Statements for the Year Ended 31 December 2019

Investments

Investments in equity shares which are publicly traded or where the fair value can be measured reliably are initially measured at fair value, with changes in fair value recognised in profit or loss. Investments in equity shares which are not publicly traded and where fair value cannot be measured reliably are measured at cost less impairment.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method. Dividends on equity securities are recognised in income when receivable.

Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 11 (2018 - 15).

4 Taxation - factors that may affect future tax charges

There is an unrecognised deferred tax asset of £26,274 in relation to unutilised losses carried forward of £138,284. This has not been recognised in the financial statements due to the uncertainty of when the losses will be utilised.
