Hy-Tech Plating was founded in 1988 to serve the metal fabrication industry. Committed to providing our customers with the highest level of quality and service, our exceptionally capable staff operate two production shifts daily in our 10,000 square foot facility.

Hy-Tech Plating maintains very competitive pricing, low minimum lot charges and avoids expedite fees in all but the most unusual of situations.

Hy-Tech Plating welcomes the opportunity to quote your work and provide you with the service and support necessary for your business to succeed.
