## Our People

**Ilanko Nataraajan**

Account Manager, San Francisco

"I feel so grateful to work for a company that has provided me with life and career changing opportunities. I'm surrounded by people who support and challenge me every day to be the best version of myself, in a culture built on care."

**Savannah Buck**

Account Manager, Minneapolis

"Insight Global pushes you to become your best self - personally, professionally and financially. You truly have endless opportunities at your fingertips."

**Matt Campbell**

Market Leader, New York

"I am confident starting my career at Insight Global was the best decision I could have made for my future. Every single day I have the opportunity to show up to an environment that was designed for my success, while working alongside some of my favorite people."

**Jennifer Nguyen**

Sales Manager, Houston

"I have been working at Insight Global for over 5 years and I can honestly say that it is the best place to work. The company culture is amazing, the people are supportive and inclusive, and the opportunities for growth are endless."

## Training & Development

### The IG Way

Beginning on their first day, every employee is immersed in The IG Way. Whether in recruiting, sales or corporate, this state-of-the-art program is designed to teach how we operate – from our culture, to the fundamentals of our business and honing your craft. Built through collaboration among our company's best and brightest, every employee is empowered to own their development and build a successful career through interactive guides, reviews and trainings.

### Insight Global University

There is nothing more important to our company than the personal, professional, and financial development of our people. Insight Global University is our signature development institution designed to equip our people with everything they need to crush it. From our executives to our budding Account Managers, Professional Recruiters and corporate teams, all of our employees are coached and cultivated at IGU. This is a multidisciplinary resource that includes one-on-one mentorship, classroom training, group discussions, and a learn-by-doing approach.

## Leadership Academy

Insight Global is a company of leaders. Our Leadership Academy is a school within IGU dedicated to realizing your greatest potential through the development of leadership skills and a growth mindset. This opportunity is available to all and is leveraged by individuals from across the company to propel their careers.

## Our Locations

We have 70+ offices located in the most exciting cities and culture-rich towns in the country and are constantly expanding. Apply to the location of your choice below.
