Eine Vision zu entwickeln beginnt mit einem Traum über die Zukunft.

Michael Tojner

Die Montana Tech Components AG ist eine weltweit agierende Industriegruppe, die sich auf ausgewählte Schlüsseltechnologien in den Bereichen Luftfahrt, E-Mobility, Energie und Verpackung fokussiert. Vision, Innovation und Weitblick sind die Grundsteine des Denkens und Handelns in allen drei Divisionen.

Divisions

The divisional companies of the growth-oriented group are among the market leaders in their fields of activity. This leading position is secured by continuous development of the individual Group companies.
